RE: **Access to KGH Out-Patient Rehab Space – Now Available to All Staff**

In our on-going commitment to support staff wellbeing, we are pleased to announce that all staff can now request access to use the KGH Out-Patient Rehab Space after hours.

With a special thank you to the KGH Medical Staff Association who have been notable champions in making this idea become a reality!

Space may be accessed;

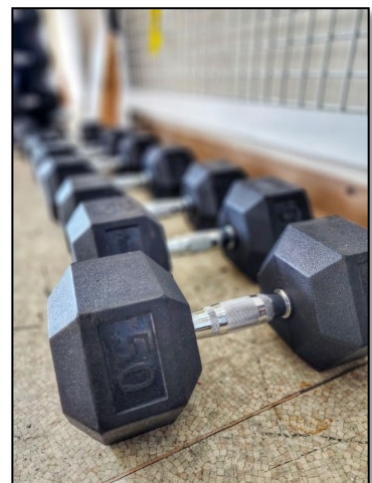

- 7 days/week
- From 7pm (1900) – 6am (0600)

To request access;

- Please complete the [Outpatient Rehab Space Staff Waiver](#) (*fillable PDF*)
- You will receive an email once access has been granted

As this space is mainly used for patient treatment, please treat with respect. Your help in wiping down equipment and maintaining this space is greatly appreciated.

Thank you,
Danielle Cameron
Executive Director, Clinical Operations, KGH
